INDEX TO TROPICAL AGRICULTURE

Index to Volume XVII—January to December, 1940.

Nos.	Months.	Pages.
1	January	1- 20
2	February	21- 40
3	March	41- 60
4	April	61- 80
5	May	81-100
6	June	101-120
7	July	121-140
8	August	141-160
9	September	161-180
10	October	181-200
11	November	201-220
12	December	221-240

GENERAL INDEX.

A.

Pages.

Account of *Diatraea saccharalis* F. with special reference to its Occurrence in Barbados, An 133-138
Activity of Plant-Growth Hormones, The... 176-178
Agricultural Chemistry of Sugar Cane, Use of the Spectograph in 235
Agricultural Conference, Third West African 238-239
Agriculture in Antigua during the Period 1933-40, Progress in Sugar-Cane ... 208-212
Agriculture in St. Kitts during the Period 1933-40, Progress of Sugar Cane ... 226-232
Agriculture, Overproduction and Scientific Improvement in 193-194
Agricultural Products as Insecticides ... 39
Agricultural Research at the Present Time, Fundamental 41-42
Agriculture through Root Disease of Crops, Losses to World 49-52
Air Transport, Insects and Disease ... 118
Anaplasmosis in Antigua, B.W.I., Observations on 147-148
Antigua during the Period 1933-40, Progress in Sugar-Cane Agriculture in 208-212
Anthracnose by Spraying, Experiments on the Control of Mango 115-117
Aphid Vectors of Sugar-Cane Mosaic ... 62
Appreciation, An (Rodrigues, G.) ... 168
At Random 221-222

B.

Pages.

Bacteriophage and Plant Lysins ... 162
Bacteriophage in Soil 101-102
Banana Diseases XIII. Further Observations on the Condition of Banana Plantations in the Republic of Haiti... ... 124-127
Banana in relation to Human Nutrition, The 143-146
Bananas—Preliminary Observations on the Refrigerated Gas Storage of Gros Michel 103-105
Bananas under Shade for the Control of Leaf Spot Disease, Cultivation of ... 213-214
Barbados, An Account of *Diatraea saccharalis* F. with special reference to its Occurrence in 133-138
Biological Aspects of Soil Fertility ... 105
Biological Control of Houseflies in Fiji, Investigations with a view to the ... 197-199
Boron in Agricultural and Horticultural Practice 178-179
Botany in the Tropics, Economic ... 8
Brazil Nut, The 16-18
British Guiana, Some Notes on P.O.J. 2878 in 233-235
British West Indies Plant Quarantine Station from 1934-1939, The Work of the 4-5
B.W.I., Vitamin Contents of Some Foods Used in the 118

C.

PAGES.

Cacao Die-back 27-31
Cacao in Nigeria, The Degree of Cross Pollination in 184-186
Cacao, Note on a Mutation in 139
Cacao Pods in Grenada, A Note on the Maturation Period of... 165
Cacao Production, The Case for Long Range Research in 203-207
Cacao Propagation, The Cost of 163-164
Cacao Research, Progress in 161-162
Cacao Selection in the Cameroons, A Review of 223-225
Cacao, Some Preliminary Studies of Transpiration and Carbon Assimilation in 166-168
Cacao, Transmission of "Swollen Shoot" Disease of 98
Cameroons, A Review of Cacao Selection in the 223-225
Cane *see* Sugar.
Carbon Assimilation in Cacao, Some Preliminary Studies of Transpiration and 166-168
Caribbean Region, Distribution of Fungous Diseases of Crop Plants in the ... 90-94
Case for Long Range Research in Cacao Production, The 203-207
Caterpillar, Control of Pineapple ... 215-216
Cattle Improvement and the Possibilities for Mixed Farming in the Middle Belt and Southern Provinces of Nigeria, Preliminary Notes on 43-49
Ceylon, Citrus Manuring in 102
Chemical Composition of the Hen's Egg, The 217-218
Chemical Elements in Relation to Plant Growth, Minute Amounts of 181-183
Chemical Notes 20, 40, 60, 80, 100, 120, 160, 179-180, 199-200, 139-140, 220, 240
Chemistry of Sugar Cane, Use of the Spectograph in Agricultural 235
Chinch Bug infesting Lawns in Trinidad, Measures for the Control of 236-237
Citrus Fruit Juices, Preparation of ... 77-78
Citrus Manuring in Ceylon 102
Citrus Root-stocks in St. Lucia, Dominica and Montserrat, Observations on Behaviour of 72-76
Citrus Scab Disease, The Influence of Climatic Factors on 83-86
Classification of the Soils of Trinidad, A Provisional 153-158
Climatic Factors on Citrus Scab Disease, The Influence of 83-86
Clove Cultivation 117
Cocoa (*Theobroma* spp.), Self-incompatibility in 67-71
Cocoa, Witches' Broom Resistance in ... 6-8
Coffee by Cuttings, Propagation of ... 113
Coffee, New Shade Tree for 11
Coffee, Quality 42
Coffee, Ripening of 26
Coffee, When to Prune 5
Colchicine, New Polyploids in Cotton by the Use of 53-54
Colchicine Treatment as a Means of Inducing Polyploidy in Cotton 23-25
College Journal, The 201-202
Colletotrichum gloeosporioides and Allied Fungi, A Review of Latent Infections caused by 128-132
Colonial Development and Research ... 81-82
Colonial Empire, Soil Conservation in the... 121-123

C.—*Continued.*

PAGES.

Composition of the Hen's Egg, The Chemical 217-218
Composts 149-152
Contribution to Raw Sugar Clarification, A 56-59
Control of Chinch Bug infesting Lawns in Trinidad, Measures for the 236-237
Control of Cotton Stainers in the West Indies 119
Control of Houseflies in Fiji, Investigations with a view to the Biological 197-199
Control of Leaf Spot Disease, Cultivation of Bananas under Shade for the ... 213-214
Control of Mole Crickets 86
Control of Pineapple Caterpillar 215-216
Cost of Cacao Propagation, The 163-164
Cotton by the Use of Colchicine, New Polyploids in 53-54
Cotton, Colchicine Treatment as a Means of Inducing Polyploidy in 23-25
Cotton Growing Policy, Empire ... 110-113
Cotton Stainers in the West Indies, Control of 119
Crickets, Control of Mole 86
Crop Plants in the Caribbean Region, Distribution of Fungous Diseases of ... 90-94
Crops, Losses to World Agriculture through Root Disease of ... 49-52
Cultivation of Bananas under Shade for the Control of Leaf Spot Disease ... 213-214
Cultivation and Distillation of Lemon Grass in Travancore 39
Cross Pollination in Cacao in Nigeria, The Degree of 184-186

D.

Date Palm (*Phoenix Dactylifera* Linn.), Mycorrhizal Habit in the 239
Deficiency in Fruit Trees, Magnesium ... 237
Degree of Cross Pollination in Cacao in Nigeria 184-186
Diatraea saccharalis F. with special reference to its Occurrence in Barbados, An Account of 133-138
Die-back, Cacao 27-31
Disease, Air Transport, Insects and ... 118
Disease, Cultivation of Bananas under Shade for the Control of Leaf Spot ... 213-214
Diseases of Crop Plants in the Caribbean Region, Distribution of Fungous ... 90-94
Distillation of Lemon Grass in Travancore, Cultivation and 39
Dominica and Montserrat, Observations on Behaviour of Citrus Root-stocks in St. Lucia 72-76

E.

Ecological Approach to Problems of Weed Control, The 170-174
Economic Aspects of the Gall Midges (*Diptera, Cecidomyidae*) with special reference to the West Indies, Some ... 63-66
Economic Botany in the Tropics ... 8
Effect of Shade and Manure 183
Effects of Molasses as a Fertiliser, Lasting 212
Egg, The Chemical Composition of the Hen's 217-218
Elements in relation to Plant Growth, Minute Amounts of Chemical 181-183
Empire Cotton Growing Policy 110-113
Empire, Soil Conservation in the Colonial... 121-123
Experiments on the Control of Mango Anthracnose by Spraying 115-117

F. PAGES.

Farming in the Middle Belt and Southern Provinces of Nigeria, Preliminary Notes on Cattle Improvement and the Possibilities for Mixed 43-49
Fermentation Process in Tea Manufacture, The 18-19
Fertiliser, Lasting Effects of Molasses as a 212
Fertilizer, A New Phosphate 146
Fertilizer, Orange Waste as 94
Field Experiments with Sugar Cane ... 59
Field Experiments on Sugar Cane in Trinidad 25-26
Fixation of Potassium in Soils 186
Flies in Fiji, Investigations with a view to the Biological Control of House ... 197-199
Food Production in the Wet Tropics ... 61-62
Foods used in the B.W.I., Vitamin Contents of Some 118
Fruit Juices, Preparation of Citrus ... 77-78
Fruit Trees, Magnesium Deficiency in ... 237
Fundamental Agricultural Research at the Present Time 41-42
Fungi, A Review of Latent Infections caused by *Colletotrichum gloeosporioides* and Allied 128-132
Fungous Diseases of Crop Plants in the Caribbean Region, Distribution of ... 90-94

G.

Gall Midges (*Diptera*, *Cecidomyidae*) with special reference to the West Indies, Some Economic Aspects of the... ... 63-66
Garden, Hormones and the 222
Gas Storage of Gros Michel Bananas, Preliminary Observations on the Refrigerated 103-105
Glycerin, Synthetic 11
Gold Coast, Livestock Improvement in the Northern Territories of the 87-89
Grass as Human Food 127
Grenada, A Note on the Maturation Period of Cacao Pods in 165
Gros Michel Bananas, Preliminary Observations on the Refrigerated Gas Storage of 103-105
Gumming Disease of Sugar Cane ... 15

H.

Haiti, Banana Diseases XIII. Further Observations on the Condition of Banana Plantations in the Republic of... ... 124-127
Hen's Egg, The Chemical Composition of The 217-218
Hormones and the Garden 222
Hormones, The Activity of Plant-Growth 176-178
House Flies in Fiji, Investigations with a view to the Biological Control of ... 197-199
Human Food, Grass as 127
Human Nutrition, The Banana in Relation to 143-146
